“My name is Victoria, I'm 17 years old and I live in France. Since I was 14 years old, I have dreamed of studying and living abroad. I was inspired by my own experience as a host-sister for a German exchange student. She lived with us for a year and became like my older sister. And now it's my turn! First and foremost, I would describe myself as a sociable and dynamic person, and I always do my best to be warm and welcoming to others. My friends and family are incredibly important to me, and I am very invested in the well-being and comfort of those I care about. My sense of humor and openness allow me to easily adapt to new situations and people, and to solve any conflict with empathy - and of course, a sense of humor. I would say that I am someone who enjoys all the little moments of happiness in life, and I love to explore and challenge myself - YOLO!”

**Harvest Festival:** Just a reminder that the Harvest Festival has been moved back to the Fall. Mark your calendars for September 7, 8 & 9! Many fun new events have been added including Riverside Drifters Horse Show, Bean Bag Tournament, 3 on 3 Basketball Tournament, Bingo and more!
