Pennies For Patients Families, we are excited to announce that we have officially kicked off our Pennies for Patients program this week in hopes of helping both children and adults in their fight against blood cancer. Your child should come home with their own collection box to help with their collection. We are also encouraging students to set up an online page to receive donations, so that our school can make our biggest impact ever for this mission. We will run our penny drive through the month of January, but don't wait. Let's crush our goal of \$500. Student Council Members will be set up at our home basketball games during the month of January in order to collect Pennies (donations). Donations can be turned into any CW Student Council Member, Mrs. Tiili-Anderson, or the school office. Thank you! "*When heroes work together, we change cancer!*"
